

REUSABLE TEMPLATE

Decision Center Review Template

A reusable review centered on outcomes, signals, risk, intervention,
and decisions

Review flow

1. Outcome health Are outcomes moving? What changed?
2. Current reality What do the five domains indicate?
3. Risks and obstacles What threatens success?
4. Decisions What choices create the greatest impact?
5. Interventions Where should leadership act?
6. Follow-through Who owns action and next evidence?

Decision / intervention	Owner	Evidence / rationale	Next review

Use note: Proposed Decision Center workshop material. Adapt to context. Do not use to rank individuals or teams.
